# GREAT BRITISH ROASTS

## MARINA SOCIAL

Looking for a roast that's great for a friendly meet-up, too? Marina Social's 'Social Roast' is just that. Michelin-starred chef Jason Atherton's restaurants are known around the world for their seriously social set-ups. They say their Saturday roast is "a weekly nostalgic journey bringing you a piece of home", served on a long table filled with banter

and dad jokes. Which sounds rather nice to us. Huge slices of juicy roast beef, steamed veggies and the must-have staple of any decent roast, a big, crunchy, homemade Yorkshire pudding, all help fill the plate (and your belly). **INFO:** Sat weekly, Dhs150 two-course, Dhs195 three-course, 12noon-3pm, InterContinental Dubai Marina, 04 446 6664, [marinasocialdubai.com](http://marinasocialdubai.com)

## GAUCHO

A restaurant known for its delicious meat surely can't fail on the roast front. Yes, it's Argentinian but, boy, do they make a fine roast. The classic roast has a distinctly Argentine twist. Meat-wise you can opt for succulent spatchcock chicken, sirloin or rib-eye steaks. Whatever your meat choice, each is served with giant Yorkshire puds, sautéed

veg and crispy roast potatoes. You can also add a two-hour unlimited beverage package for Dhs180. **INFO:** Sat weekly, Dhs185 classic roast, 12noon-11pm, Gate Village 45, DIFC, 04 422 7898
