

## REFORM SOCIAL & GRILL

**It's renowned for** brilliantly executing British classics, so loyal patrons are in for a treat with the arrival of Reform's spruced-up menu packed with even more choices to give diners a taste of home.

The much-loved family-friendly watering hole in The Lakes keeps it simple serving excellent cuisine in a wonderfully relaxed setting (opt for a table on the buzzy terrace or picturesque orangery) matched with their efficient, speedy service.

The brand-new dishes are a real nostalgic romp down memory lane with the likes of 70s prawn cocktail featuring the plump crustaceans and breaded scampi smothered in Marie Rose sauce, warm potted duck served with English crumpets whilst fluffy mini Yorkshire puddings are given a unique twist stuffed with steak tartare.

The arrival of Family Feasts – think no-fuss, delicious 'Slam in the Lamb' shepherd's pie and beef stew and dumplings – are perfect for sharing with the brood and include sides, soft drinks for the little ones and a trip to the ice cream parlour. And who could resist the Five Finger Fish Buttie? Chunky doorstop slices come filled with freshly battered catch of the day and lashings of tartar sauce making it the ideal go-to meal for that quick childhood flashback. The old (but fabulous) favourites still hold their own against the new kids on the block and the Great British Roast with all the trimmings is easily one of the best (not to mention generous!) in Dubai.
